## *We remember*

Opening day of school found FCHS auditorium bulging at the seams as 1350 students crowded into it for announcements concerning the new term. Seniors enjoyed their first privilege by marching out to a standing ovation of the underclassmen.

## FOREWORD

In the following pages of our 1964 **Animo** are **Moments to Remember** which we will read, see, feel, and cherish as part of our right to lead free, useful and happy lives.

The goal of our school is to build minds and character. Centered here in our high school are foundations of knowledge and wisdom, of learning and growing, of honor and integrity, of work and fun, and of love and friendships.

Assembled here in the **Animo** as a portfolio are our teachers, our classmates, our classes, and our activities that will represent part of our life in 1964 at Franklin County High School. Oh! what memories of the

hours spent here will rush back to us whenever we leaf through this yearbook!

May we always remember to be grateful to all of those who have helped us to prepare ourselves to meet our future responsibilities.

The torch of mem'ry burns  
But oftentimes flickers, and  
we then forget.

Within this volume  
We have left a sparkle  
To touch and to light again  
Our mem'ry of 1964.

*these moments . . .*

Franklin County students, traveling from an area of 721 square miles, must spend many hours on a bus during a school year. Memories of crowded conditions, of stops at the "jot-em-down" stores, of back seat love affairs, and of friendships acquired will linger for a life time.

Despite the crowded conditions, the librarians were able to set up a rotation schedule so that every student would have at least one hour in the library

each week. The library was also opened at 8:15 for the benefit of those students who did not have a study hall period.

*of living at FCHS . . .*

A strange photographer in the hall attracts much attention from all of the students. Mr. Max Ward says that the students' favorite expression is "take my picture."

*of exciting deviations from the daily routine*

The loyal supporters of the Franklin Eagles found excitement in all of the football games whether the weather was warm or freezing, raining or snowing. Our teams played with equal skill in all kinds of

weather, thrilling those who enjoyed watching the game as much as the boys themselves enjoyed playing it.

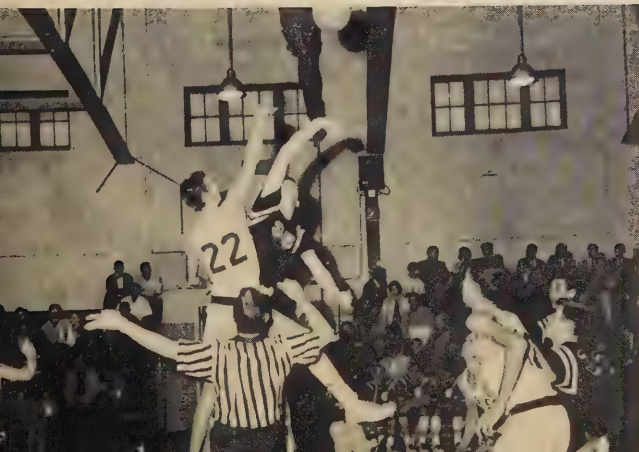

*of school by watching good athletic events . . .*

Perhaps no other phase of school life will be better remembered by so many people as will be the sports program. This may be due to the variability of the department. Sports lovers were offered meets in football, basketball, baseball, and track and were given good playing and excitement in each.

*of developing ourselves physically,*

Constant practice and the coaching of Mr. Schall enabled Randy Hundly and Eddie Goode to become top milers in the district.

Dramatics club initiation created much excitement as members gathered at the water fountain to admire each others costumes.

*mentally, socially, and culturally . . .*

Chemistry experiments required patience as well as knowledge as these students waited for the results of their work.

The Virginia Museum of Fine Arts brought to our school a collection of cultural items from our South American neighbors.

*of sharing generously our individual abilities*

The band, under the direction of its new bandmaster Ed Waugh, provided good music as well as good entertainment every time they performed. This talented group of musicians was led by Drum Major David Abshire and ten striking major-ettes. Musicianship was stressed by Mr. Waugh whether the band was playing at a football game, in a parade, or at a concert.

*and talents for the enjoyment of others . . .*

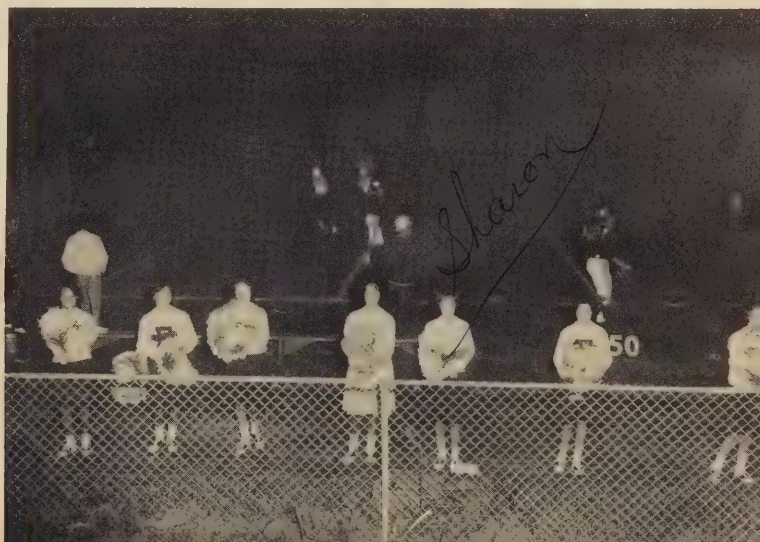

The Concert Choir thrilled everyone who enjoyed good music by performing at a variety of functions. Mrs. Sparks had this group singing in excellent form at the SCA Installation Assembly early in the school year.

Many rehearsals and persistent drive paid off for these aspiring acting enthusiasts at the highly successful performance of "The Valiant."

Head cheerleader Susan Moses and a new advisor, Mrs. Schall, gave these girls encouragement to promote good school spirit among the student body members. They performed with skill and enthusiasm at all sports events.

*of learning to live with yourself and others*

Linda Cooper and Dickie Stoneman study the globe in an effort to learn and understand peoples of foreign lands.

Following the traditional custom, members of the junior and senior classes were served refreshments at the close of the prom.

while creating genuine and lasting friendships.

Best of Luck  
to a very sweet  
girl. It has been  
a pleasure with  
classes with  
you! All ya!  
Mary  
Rose

Charles Davis, Janie Sink, Mary Rose Ayers, and Bill Woody spent leisure moments at school planning that "special week-end."

Mrs. English's eighth grade science class learned about the world around them as they studied nature together.

Although time separates friends, friendships remain forever.

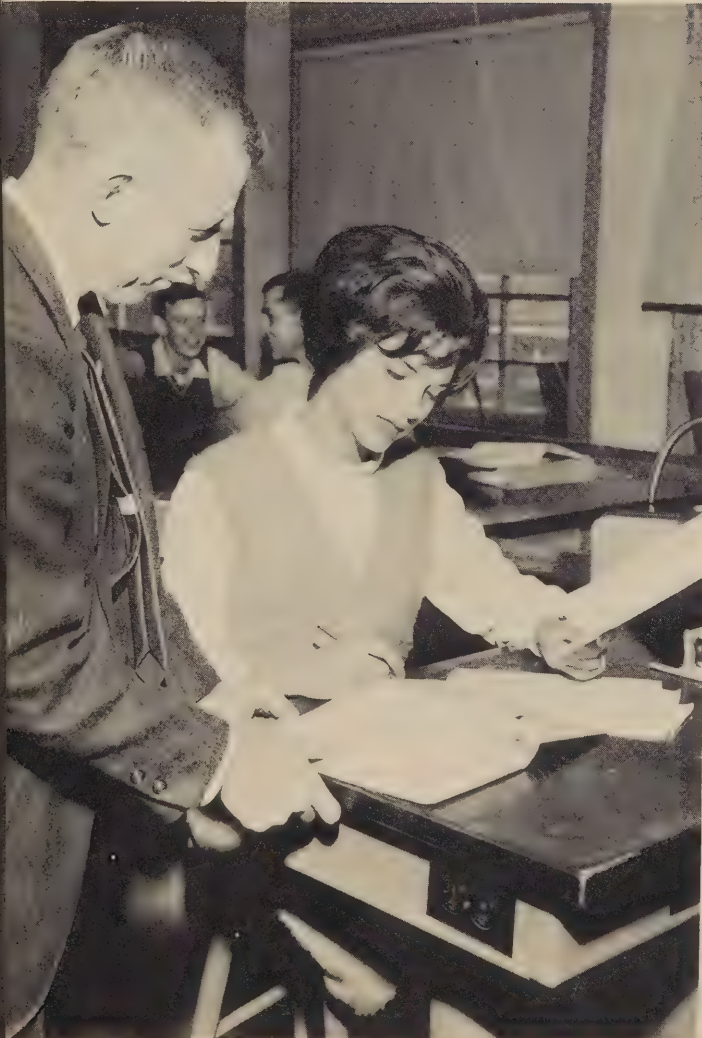

## DEDICATION . . .

Each year the **Animo** staff selects a member of the faculty who, we think, deserves special recognition for his outstanding contribution to our education and development.

This person has given unselfishly of his time to help us, the students of Franklin County High School. He has shown great patience, great understanding, and a genuine interest in his work. Therefore, as a symbol of the great love and admiration we feel for him, the 1964 **Animo** is dedicated to BEN P. DIVERS, JR.

# ADMINISTRATION

Education has been called the "engine of American democracy"; without it our American system of government couldn't exist. Therefore, we, the students of FCHS, are deeply grateful to the administration of our school for their contributions to our Memorable Moments at FCHS.

It is the job of our teachers to help us, the youth of America, called "America's greatest resource", be better citizens; prepared to meet the challenges of the future.

Imparting words of wisdom, they stimulate our thinking and arouse our desire to learn as they try to quench our thirst for knowledge. They offer their experience to us, and they help us develop our characters and minds as we lay the foundation of our lives. Teachers get their satisfaction when, in later years, their former students carve out niches in life for themselves and enjoy success in their chosen fields.

All of us tend to give our teachers little credit for our successes; rather, we usually give them credit for our failures. Our teachers only help us to stand independently; it is our duty to remain standing. A school is no better than the quality of its teachers; for this reason, we, the students of FCHS, are deeply indebted to our faculty for their assistance.

We want to pay a special tribute to Miss Myrtle Harrison, our librarian, for the services she has so generously rendered to this school and its students. She has opened the magic door to far away places, both here and "out of this world", and to exciting people in fiction and reality through the boundless regions of print. We know that, between the covers of a book, we may journey into the world of the arts, history, and the sciences and pluck the flowers of knowledge which is the quest of man in his seeking hours.

## Administration Leaders

The Franklin County Public School System is extremely fortunate to have as superintendent of schools, **Mr. Harold W. Ramsey**. Mr. Ramsey is quite capable to serve in this position and has proved this through his intelligent leadership over the years. He holds B.A. and M.A. degrees from the College of William and Mary. On February 8, 1964, Mr. Ramsey received an honorary Doctor of Laws degree from the College of William and Mary. We extend our congratulations to him.

**Mr. T. A. Hartley**, director of instruction in Franklin County, assists Mr. Ramsey in the carrying out of the administrative work in our county school system. He is highly respected and admired for his excellent contributions to our schools.

Mr. Hartley received a B.S. degree from Roanoke College and holds a M.Ed. from the University of Virginia.

Members of the Franklin County School Board are Mr. Posey J. Ross, Mr. O. P. Akers, Mr. A. D. Simpson, Mr. Jesse Amos, Mr. A. C. Martin, Mr.

Ward Finney, Superintendent Harold Ramsey, Clerk Peggy Love, Chairman C. A. Martin, and Mr. James T. Smith.

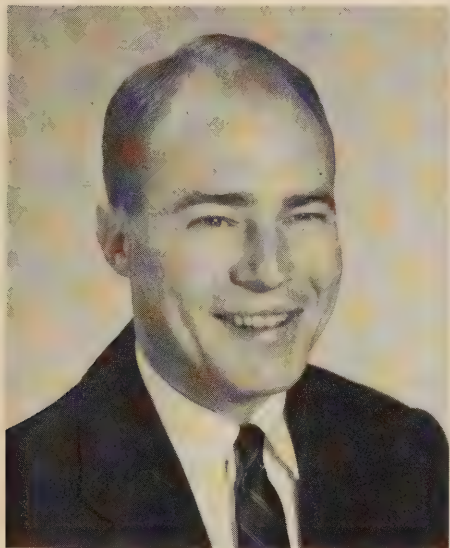

**Mr. Bruce M. Kent**, principal of Franklin County High School, provides the excellent leadership that keeps the school operating smoothly. Like all people who are dedicated to their work, he gives of himself to both the students and the school, and he is a credit to our community.

Mr. Kent attended the College of William and Mary where he received the B.S. and M. Ed. degrees.

**Mr. Cecil W. Doss**, assistant principal, serves as an invaluable member of the administration. His work as business manager demands much of his time both day and night as he is responsible for all the financial matters of the school.

Mr. Doss was educated at William and Mary where he earned his B.A. degree.

**Mr. Morris Law**, assistant principal, is a very active member of the administration. In addition to his duties as assistant principal, he is guidance counselor, and sponsors the SCA.

Mr. Law holds a B.F.A. degree from Richmond Professional Institute and a M.Ed. from William and Mary.

**Mrs. Mickey Morris**, guidance counselor, helps students select their course of study and is especially helpful as she advises them on their future plans. Mrs. Morris holds a B.S. degree from Radford College, and she is presently working on her M.Ed. from William and Mary.

# CLASSES

Over 1300 students assemble at FCHS every day for the purpose of learning. Everyone is brought into contact with people from all over our county, tending to make a united Franklin County. Every one of these 1300 students is a unique person, slightly different from every other student in school. Every one has his individual abilities, interests, and talents, and, amazingly enough, all these individuals are blended into one, united student body.

At FCHS we work, we play, we love, we quarrel, we cry and we laugh together. We weather the storms, and then we bask in the sunshine stemming from our knowledge that we are young and that nothing can overcome the dauntless spirit of youth.

Many of the friends we make at FCHS will remain by us for life. We learn to respect our fellow humans by associating with them every day. By being with other people, we gain a valuable knowledge of human nature, by which we can improve our own personalities. Eighth graders eagerly look forward to being seniors. Seniors, on the other hand, bid farewell to their happy days of high school and move on down the road of life.

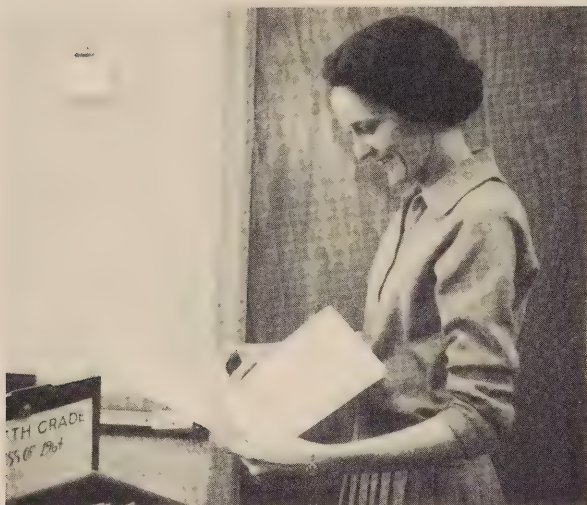

As we grow older and look back upon our lives, the high school days will stand out from all the other memories; we shall think about our Moments at FCHS and say that those were the best years of our lives.

## CURRICULUM . . .

## Students pursue

Mrs. Morris, counselor, works with the student's records filing the materials necessary to keep each student's record up to date.

The guidance counselors at FCHS have been endowed with a very important task, that of helping mold the minds and characters of the students. Only through careful and persistent guidance can the qualities of confidence, integrity, and leadership be attained.

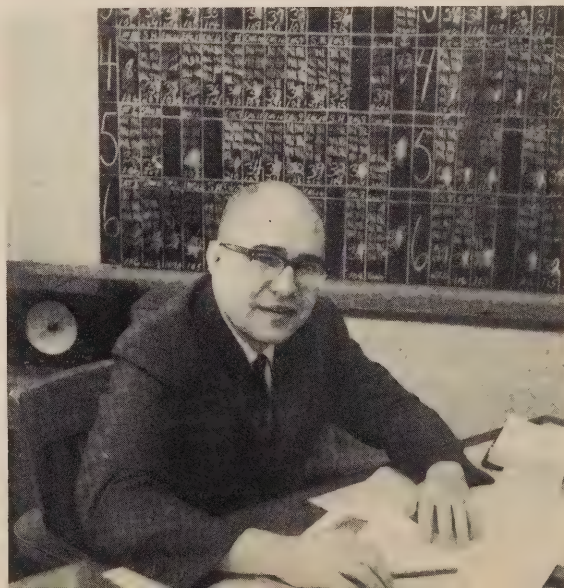

The guidance program is placed in the cap-

able hands of Mrs. Morris and Mr. Law. They are assisted by Mr. Stanley, Mrs. McCall, Mr. Lovell, Mrs. Cooper and Mrs. Meade. The tasks of the counselors include the daily checking on absentees, helping students with personal and academic problems, and registering students for next year's classes.

Members of the freshman class spent 8 hours taking the SCAT and the STEP tests. These tests will help the student choose his course of study.

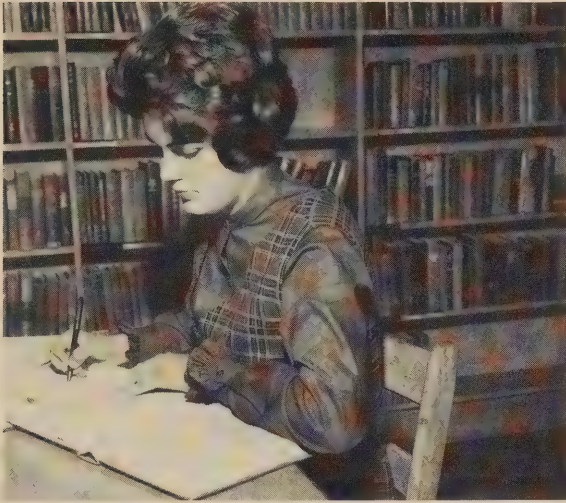

Mr. Law, guidance counselor, spends a countless number of hours preparing college transcripts for the seniors.

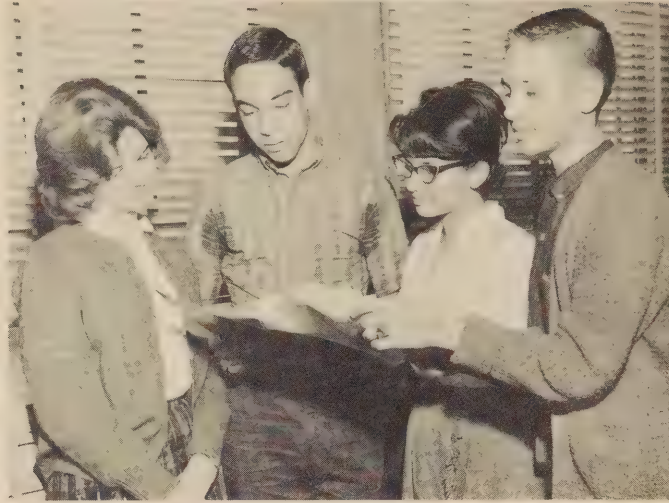

# basic courses to prepare for the future

Deadra Powell, as well as other members of the senior class, found the library well stocked with materials needed for a term paper on a specific phase of government.

Marilyn Waite, Richard Hartley, Paulette Chitwood, and Lynne Ramsey found that consulting the approved reading list for eighth graders saved time and disappointments when selecting a library book.

We are indebted to the Library Club which was designed to promote a greater appreciation of books and to help maintain an efficient library.

Members, who work during their study halls, are always ready to assist students in

selecting books, whether the reading is required, for research purposes, or simply for pleasure. The club keeps the latest editions of newspapers and magazines available to students, and has files of information on hand. In addition, the club maintains a quiet library and a place for study.

Finding just the right book for leisure reading needs browsing time. The size of the print or the

interesting illustrations may be the deciding factor in making a selection.

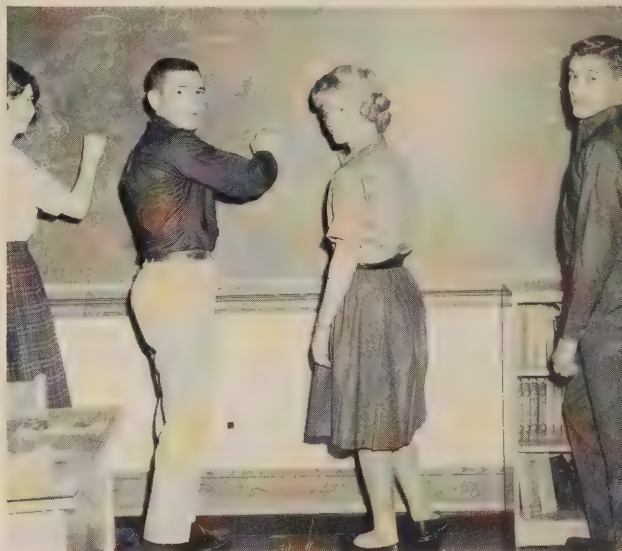

Jackie Jamison completes the first draft of her senior English theme. Judging from Jackie's expression one sees that she is well pleased with her progress.

Marie Prillaman, Mike Nuckols, Diane Johnson, and Jim Clem illustrate the value of diacritical markings.

## Grammar and literature students become

Jean Martin entertains Miss Ruth Hunt's senior English class with an humorous oral review of Lord Jim.

Mr. Law drills his English class on the phonetic alphabet, emphasizing the necessity of proper enunciation.

To have students learn to speak, read, and write correctly and effectively is the purpose of the English classes at FCHS. Besides academic English, Business English and speech and drama are offered.

Because of its vital importance in our every day lives, English is a required course all five years at FCHS.

The student's writing and speaking were constantly improved through oral drills, class assignments, and themes. In literature classes, students gained an appreciation of reading by studying the works of the world's famous authors.

Through the speech and drama, the students gained the confidence and knowledge needed to be able to communicate with others.

Charles Davis reviews *Great Expectation* in preparation for the final test on this novel.

## better readers, speakers, and writers

Girls taking Business English are given a thorough background in punctuation and spelling which prepares them for their future work after graduation.

Students associate their newly acquired Latin vocabulary to identify objects used in their daily lives.

Seven students accepted the challenge of advanced study by taking Latin III. Freedom from the study of grammar enhanced their translations.

## Languages and social studies help develop

Students today are becoming increasingly aware of the many advantages gained from the study of a foreign language. The foreign languages offered are Latin and Spanish.

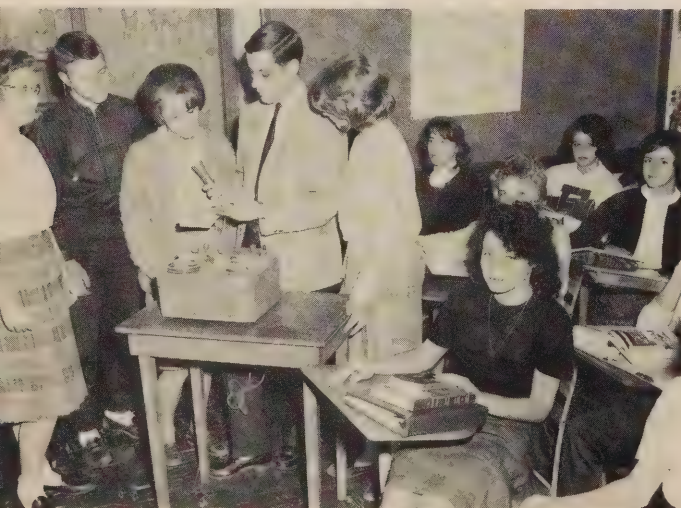

The Latin students not only studied translations, but they also increased their knowledge of ancient Rome by studying the lives of many Roman heroes, myths, legends, and

the Roman way of life. The Spanish students found the opportunity to obtain a deeper understanding of Spanish translation, culture, and civilization by efficient classroom instruction.

A background in languages is necessary in this age of international relations.

Spanish students found that the tape recorder was an invaluable aid with the more difficult pronunciations of that language.

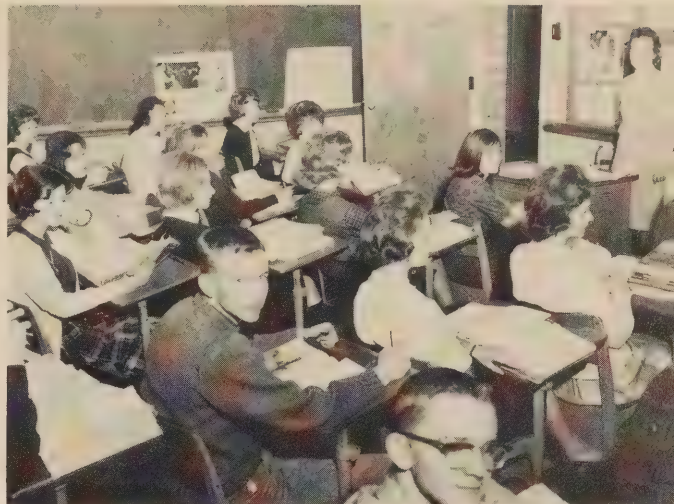

Rodney Ferguson leads the group in singing their favorite Spanish songs during one of their regular Monday meetings at the school.

Miss Patterson leads her world history class in a review before mid-term exams begin late in January.

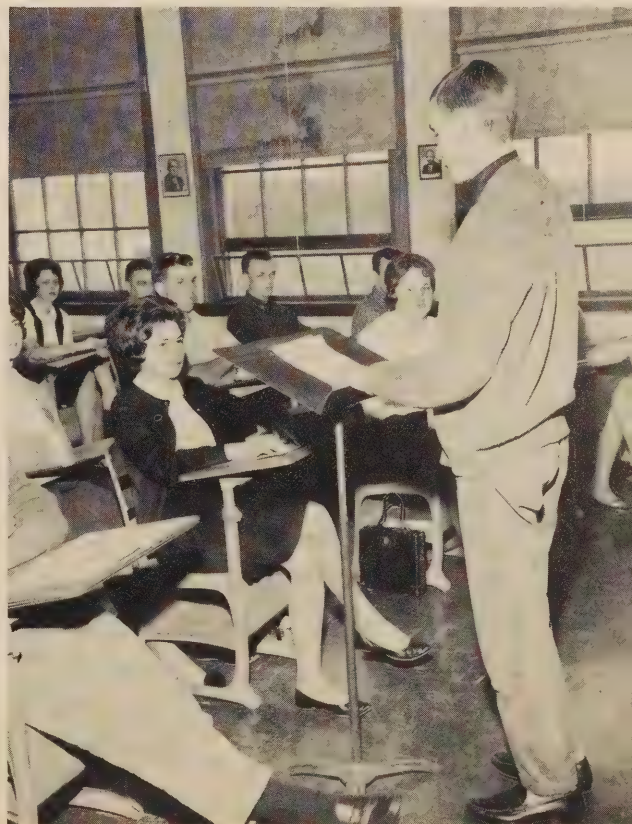

Mrs. Stanley's history class takes time out from their studies to let the annual photographer take their picture.

## an insight of our own and other cultures

We gain from exploration of the past the knowledge that helps us to better understand and appreciate the present; this not only makes better well-rounded students, but good citizens as well. The courses in social studies offered at FCHS are world history, world geography, Virginia and United States history, government, and economics. To further stimulate interest in the classes, films were shown, class projects were assigned, and class discussions were held. The magazines, Senior Scholastic and World Affairs, provided an excellent background for these discussions. After graduation from FCHS, the student who had the foresight to build a good foundation on the knowledge of the past and present will be the one most likely to understand and to succeed in the future.

James Bowles informs his government class on the present day agriculture situation giving them an insight on future developments.

Mrs. Flora, keeping in step with modern times, uses the new concept of teaching algebra to better instruct her students.

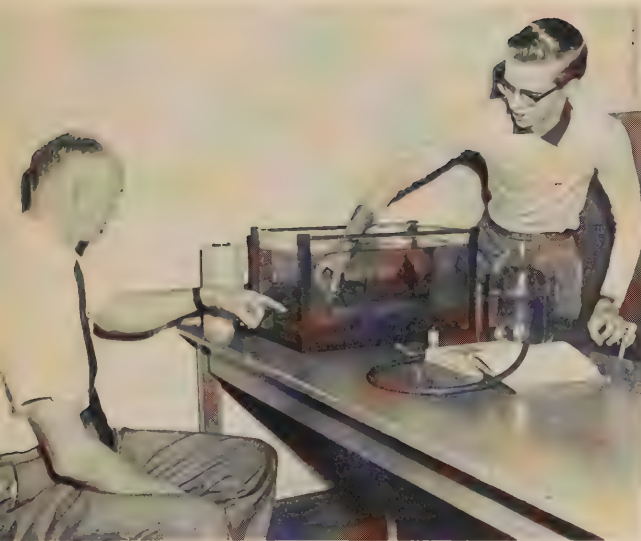

Gary Lenker and Mr. Divers discuss the pros and cons of written problems during a second year algebra class.

Sciences stimulate the imagination and challenge the intelligence of the students. In our daily lives math is used constantly in almost everything we do. Unless everyone is taught how to use numbers in school, our modern way of life would be impossible. Algebra, general math, plane and solid geometry, and trigonometry are the math courses offered at FCHS. For the interested students, science classes opened a new world that embraced on everything from the smallest atom to the infinity of the universe. The science courses offered are general science, biology, chemistry, and physics. Well equipped laboratories, well trained teachers, and industrious students with the desire to learn are important factors in the slow, steady advance in the field of science.

## New math and science courses proved

Everette Fisher balances an aquarium for his science project as Mr. Flora him some helpful suggestions.

Mrs. Schall demonstrates the proper method of using a microscope to her biology class.

Mr. Layman balances an equation for Carolyn Fisher, Ronnie Evans, Mike Nuckols, and Melaine Skinnell during chemistry class.

to be a real challenge to the students

To prepare girls for careers as future homemakers, FCHS has a fine Home Ec. department. In addition to learning the skills required for sewing and cooking, the girls learn how to create a congenial home atmosphere for their future families. The girls who receive the training will someday belong to one of the most important elements of our population, America's homemakers.

The business department offers training for the students who plan a career in the business world. Some students further their education in college, while others enter business immediately after finishing high school.

Students learn to operate the various machines of the modern office, and they learn the time saving methods employed by modern businesses.

Members of the Home Ec. Department prepare the tables for the joint banquet that is held annually with the FFA.

## Home Ec. and business courses help plan a

One of the main projects of Mrs. Gardner's senior Home Ec. class was the planning and preparing of a complete dinner. Needless to say, they enjoyed the eating also.

Mrs. Minnick shows Barbara Powell and Annette Amos the art of basting material to assure a smooth, finished garment.

Under the instruction of Mrs. Bowman students learn the correct procedure of ruling the ledger in

bookkeeping class. This course provides excellent information for both personal and professional use.

## successful future for career minded girls

Typing I students find that slow persistent practice is necessary to develop skill in typing.

Future secretaries learn that the markings which they are required to learn in shorthand class do have definite meanings.

# Distributive education, vocational agriculture

At FCHS we have a Distributive Education program set up for students who desire to prepare for a career in the distributive field. In addition to the supplement to his income, a D.E. member receives classroom instruction and the on-the-job experience necessary for a successful distributive career.

These students are to be admired for their ability to hold jobs and to maintain their scholastic standings, as well.

The Vo Ag department offers a variety of training and instruction for interested boys. Besides being prepared for careers in agriculture, the boys learn certain vocational skill by using and operating the tools and machines in the shop.

The F.F.A. participates in many affairs each year, with an emphasis on leadership.

Marie Brubaker, working at Ben Franklin's store, learns one phase of clerking as she keeps the card racks filled with cards.

Johnny Hodges, president of the D. E. Club, recieved his on-the-job training working at the local Kroger store. Johnny's work consisted of doing many different things, one being the packing of the customer's groceries.

## offer opportunities for creative work

Mr. Jamison explains the principle of the internal combustion engine to a group of his vo-ag boys.

Mr. Williams explains the rudiments of furniture making to a group of second year students as they examine the legs of an end table.

Senior students of agriculture work on different shop projects of their own choosing while Mr. Kissam demonstrates the wood lathe to Arthur King.

Mrs. Payne's physical education class found much excitement as they participated in a volley ball tournament.

Coach Schall insists that his boys develop strong muscles as they execute their daily exercises in class.

## Behind-the-wheel driver training is launched

These boys may never enter the mile race, but they discover that running is good for the lungs as well as developing a good strong body.

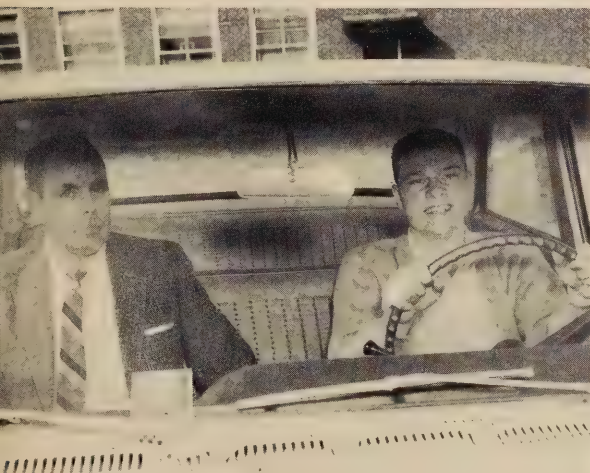

This year, FCHS is able, for the first time, to offer behind-the-wheel driver training to anyone who is interested. Driver Training complements the driver education instruction provided in Physical Education classes. A sensible approach to driving is taught, with an emphasis on driving safety and respect for other drivers. In addition to the training we receive in classrooms, we receive another important phase of our training in the gym and on the ballfield, physical education. This involves calisthenics, sports, and dancing. Athletic contests in the various sports provide students opportunities to improve themselves physically, opportunities to exert their initiative and leadership, opportunities to learn teamwork and co-operation, and opportunities to simply enjoy themselves.

Georgia Dillon and Linda Sink learn that there is more to driving than steering the car as they puzzle over the mechanics of the oil system.

## into the physical education department

Al Woody finds Mr. Richards' statement, "I'll never go driving with you again", to be quite humorous. Al was the first student to take driver training.

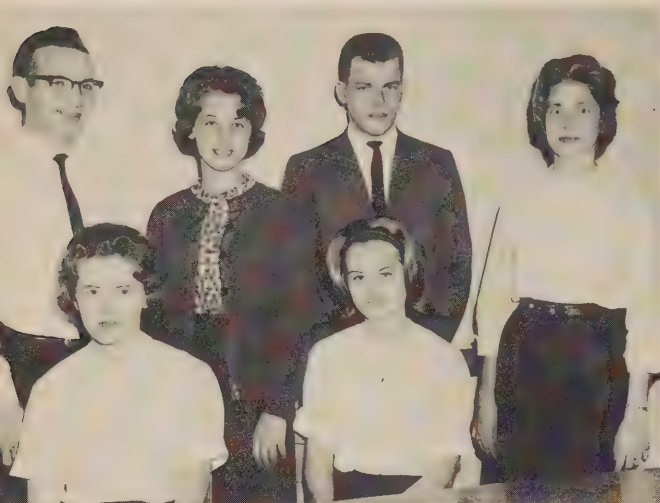

Nancy Brugh learns what happens when tires go flat from Driver Education Instructor Steve Richards.

# Choir members assumed responsibilities,

Officers of the three choral groups were Ann Brown, Deanna Dillon, Harry Christie, Judy Perdue and Joe Conner. Mrs. Sparks was director of all the choral music.

The ladies' and men's quartets of the concert choir were selected on a tryout basis. Those selected were Marie Bouseman, Janie Sink, Marie Price, Mary Frances Preston, Donnie King, Joe Conner, Dickie Walters and Charles Bennett.

All-State Chorus nominees were Janie Sink, Marie Bouseman, Marie Price, Mary Frances Preston, Peggie Robertson, Joe Conner and Marie Brubaker.

Janie Sink, student conductor of the concert choir, with assistant conductors Marie Brubaker and Sharon Durham discuss a difficult section of a vocal score.

## performed duties, and gathered honors

Accompanists for the three choirs were Emiline Akers, Linda Fleishman, Brenda Webb, Linda Clayton, Marie Sink, Marie Price, Esther Conner, Sandra Fralin, Sandra Kirk, Everette Fisher and Janie Sink.

Robe custodians serving the three choirs were Joe Davis, Peggie Robertson, Cynthia Pugh, Barbara Powell and Sharon Pugh.

Responsible for the care of music for the choirs, these helpful librarians were Nancy Turner, Patty Jamison, Nettie Lynch, Dot Sigmon, Bernice Fralin, Carolyn Cooper and Joan France.

If a school's student body is her spirit, then music is her mood. We are proud of our band and we appreciate the talents of each member, who spends countless hours practicing so that he can entertain others.

During the year the band performed at many ball games, and its rousing numbers set the mood for many exciting contests. Everyone looked forward to half-time, when the band would play and march, and the beautiful majorettes would delight everyone with their skills. The band also played at several assemblies and awed the student body with its impressive performances.

Students from Rocky Mount Elementary, Boones Mill, Ferrum, and FCHS combined their groups to form the Franklin County J.V. Band.

## FCHS band provided many thrilling moments

# ACTIVITIES

We have, at FCHS, various clubs and organizations designed to aid in our social and mental growth. Some of the clubs supplement our classroom education; others offer practical experience, and others explore various fields of interest for those students participating.

Through club activities we meet new people, we make friends, and we acquire new ideas. We learn to respect our fellow students and the dignity of every human being; we discover why equality of opportunity is one of the basic principles upon which our great American system is founded.

Through participation in extra-curricular activities, we develop new attitudes; we develop our qualities of leadership, and we learn to be self-reliant. From clubs such as these the leaders of tomorrow emerge.

The training that these clubs offer prepares us, the citizens of tomorrow, for the rigorous life ahead. They help us refine our abilities, and they bring out our latent talents; they help us discover ourselves, so to speak. We use the experience acquired in our club activities to help lay strong foundations upon which to build our future lives.

Years after other things have slipped from memory, we shall relive again and again those Moments in the clubs at FCHS.

Franklin County High was host to the Danville District SCA meeting. In addition to these delegates, there were about 200 others present.

Serving as a member of the SCA executive committee were Chitwood, Cooper, Bumgardner, Newbill, Armstrong, Woody, Davis, Arthur, and Jarrett.

**SCA SECRETARIES AND TREASURERS:** Row 1: Dodson, Washburn, Bowling, Bowles, Holley, English, Culler, Dudley, Berger, Smith, Wells, Law, Angle, Mitchell. Row 2: Brown, Hodges, Goode, Dillon, Law, Beegly, Ellis, Minnix, Mason, Lovell, Hodges, Young, Boone. Row 3: Vipperman, Ayers,

Gibson, Young, Sink, Naff, Preston, Ramsey, Hunt, McGuire, Perdue. Row 4: Trent, Angell, Shumate, Hodges, Ross, Sink, Turner, Davis, Meadows, Walker, Adkins. Row 5: Hodges, Altice, Ruff, Goode, Dent, Mullins, Thurman, Reynolds, Lynch, Powell, Saunders, Davis.

The Student Cooperative Association is made up of every student enrolled at FCHS. The representative group of this body, consisting of homeroom presidents and vice-presidents, is called the Student Council. As in past years, the Student Council with the assistance of the entire student body, successfully completed various worthwhile projects. Among these were the magazine sales campaign, the school chest drive, hosting the district SCA meeting, giving aid to needy families at Thanksgiving and at Christmas, having the press-box painted and sponsoring a school clean up day. The work of the SCA this year culminates an era of Student Council work over the past eleven years.

Jean Martin, Linda Berger, Peggie Robertson, Billy McCall, and Mary Rose Ayers leave school after making the final tally of the magazine campaign.

## Student Council directs the student body

**SCA PRESIDENTS AND VICE-PRESIDENTS:** Row 1: Brown, Sigmon, Altice Hudson, Belcher, Naff, Cooper, Anderson, Blankenship, Barbour, Divers, Dillon, Hudson, Fralin, Hodges, Kirk. Row 2: Bernard, Hunt, Nicholson, Eakin, Armstrong, Jarrett, Thurman, Garrett, Giles, Kuchar, Richardson, Nuckols. Row 3: Rakes, Parcell, Hodges, Carter, Whit-

# Interclub Council works closely with SCA

**SCA OFFICERS:** Roy Jarrett, vice-president; Jack Bumgardner, president; Tommy Arthur, treasurer; Linda Cooper, secretary.

The Interclub Council of Franklin County High School is made up of the president of all the various clubs and organizations within the school.

Under the direction of Mr. Morris Law, the Interclub Council coordinates projects and activities among the clubs and encourage club participation in all school activities.

The groups that are represented on the council are SCA, Annual, FFA, Beta, FHA, FTA, Cheerleaders, DE, Hi-Y, Junior and Alpha Tri-Hi-Y, Latin, Library, Mask and Gavel, Newspaper, Science, Spanish, Varsity, Glee Club, Choralettes, Concert Choir, and Junior class president, and Senior class president.

**INTERCLUB COUNCIL:** Row 1: Wirt, Cooper, Belcher, Burt, Nicholson, Turner. Row 2: Brubaker, Ay-

ers, Hix, Moses, Eakin, Arthur. Row 3: Hurt, Hash, Jarrett, Hodges, Robertson, Bumgardner.

The FTA, with membership based on academic achievement plus the qualities desirable for successful teaching, is open to students in the tenth, eleventh, and twelfth grades. During the past year, the club observed American Education week with an exhibit on Past, Present, and Future education in the foyer display window at school, while students acted as guides and substitute teachers on "Back-to-School" night; attended the state convention in Richmond; gave a tea for the faculty during Teaching Career Month; treated the children at a nearby orphanage at Christmas; presented miniature Christmas corsages to the teachers; provided entertainment in the form of a skit at the teacher's banquet; carried out two successful moneymaking projects. The club plans to award a scholarship, given for the first time this year, to a senior club member.

**FTA OFFICERS:** President Judy Reynolds, Deadra Powell, Elizabeth Ramsey, Jamie Whitlow, Nannie Perdue.

## Future Teachers of America awards scholarship

**FTA CLUB:** Row 1: Mitchell, Walker, Guthrie, Perdue, Wells, Dudley, Whitlow, Culler, Sink, Dillon, Skinnell, Tyree, Brugh, Brown, Anderson, Cooper, Holland, Dodson. Row 2: Bennett, Armstrong, Selden, Peters, Hodges, Sigmon, Hicks, Bowman, Kingery, Flora, Flora, Blankenship, Ratcliff, Dudley, Naff, Washburn. Row 6: Naff, Pugh, Doyle, Plybon, Hamblett, Johnson, Preston, Helms, Tyree, Eakins, Rakes, Davis, Haywood. Row 7: Prillaman, Martin, McGuire, Haynes, Oakes, McGhee, Robertson, Law, Dodson, Dent, Divers, Snyder, Dillon, Mrs. Lovell. Row 8: Mrs. McCall, Frith, Powell, Reynolds, Wray, Myers, Wright, Wampler, Davis, Hix.

Working on the senior staff were Nancy Turner, Vivian Washburn, Janie Sink, Charles Davis, and Jack Bumgardner. Members of the ninth and tenth grade staff were Peggy Jarrett, Nancy Brugh, Margaret Nuckols, Judy Davis, Peggy Martin, Ned Armstrong, David Bennett, and Mike Stoneman.

Betsy Goode, Janie Sink, Jack Bumgardner, and Charles Davis work on their assigned jobs amid all the clutter as they spend first period everyday trying to put the annual together.

Afraid of being left out of all the pictures, staff members strike up a pose and insist that Max "shoot" them.

A sit-down strike seems in order as staff members demand to rest their feet before making any more group pictures.

The 1964 Annual Staff spent long hours planning and developing the ANIMO. Last summer before school opened, staff members were meeting as often as twice a week to exchange ideas and lay the foundation for a successful yearbook.

Under the guidance of the senior staff and Mrs. John Meade, the 1964 ANIMO was finally finished. This group coordinated the work of publishing an annual so that every person knew exactly what he was supposed to do and each willingly did his share.

Betsy Goode, Bill Woody, Al Woody, and Buddy Carter, members of the junior class, are already making plans for the 1965 *Animo* as they discuss with Mrs. Meade what courses to take at SIPA.

## 1964 *Animo* is produced by staff members

1964 ANIMO STAFF: Row 1: Brugh, Washburn, Davis, Jarrett, Nuckols, Sink. Row 2: Bennett, Armstrong, Turner, Bumgardner, Martin, Goode, Mrs. Meade. Row 3: Davis, Woody, Hash, Stoneman, Carter, Woody.

The Beta skit, a take-off on the Beverly Hillbillies, took one of the top prizes at the state convention.

Frances Hix and Jack Bumgardner were selected by the National Beta Headquarters as marshals at the Roanoke meeting.

Frances Hix, president of the Beta Club, received many honors during the year, one of which was homecoming queen.

Charles Davis, Frances, Hix, David Robertson, Jack Bumgardner, and Tommy Arthur composed the newly created honor committee.

Velma Naff, secretary of the Beta Club, found the new filing cabinet quite convenient for keeping all the club's records together.

The purpose of the Beta Club and what it means to students is expressed in the Beta Club Song:

The Beta Club's for **Leadership**, For **Loyalty** and **Truth**;

The Beta Club's for **Fellowship**, A Guide and help to **Youth**

So here's to Beta's **Fellowship**, To **Courage** and the **Right**;

And here's to Beta's **Leadership**;

A Beacon in the night.

Then let's stick together  
in fair or foul weather;

We find that there's no better plan.

Twill make school days brighter  
and make our paths lighter

To serve wherever we can.

**BETA OFFICERS:** Frances Hix, president; Charles Davis, Velma Naff, Tommy Arthur, David Robertson.

## Betas win honors

**BETA CLUB:** Row 1: Holly, Naff, Boitnott, Perdue, Hurt, English, Powell, Lovell, Musgrove, Buckner. Row 2: Perdue, Cooper, Brooks, Bowman, Brooks, Hicks, Asburry, Walker. Row 3: Moses, Davis, Ankrom, France, Montgomer, Brammer, Wirt, Hodges. Row 4: Powell, Oaks, Hix, Lynch, Ramsey,

**ALPHA TRI-HI-Y OFFICERS:** Sara Ann Culler, Janie Sink, President Mary Rose Ayers, Betty Carter. Row 2: Donna Wells, Gretchen Naff, Frances Hix, Annette Amos, Mrs. Myers.

The most important purpose of the Alpha Tri-Hi-Y is to create, maintain, and extend Christian living throughout the home, school, and community. This program was carried out through many and varied activities and projects. This year we had an impressive Induction and Rededication Service for the old and new members. We collected items for Thanksgiving and Christmas baskets which we gave to a needy family in our community. Our club, with other clubs, presented an Easter assembly for the student body. The club also had delegates to represent us at all district meeting and at Model General Assembly which is held in Richmond each year.

**ALPHA TRI-HI-Y CLUB:** Row 1: Berger, Sink, Whitlow, Culler, Cooper, Skinnell, Anderson, Carter, Hall, Brown. Row 2: Turner, Pugh, Anderson, Naff, Durham, Thurman, Fisher, Dudley, Ramsey, Naff. Row 3: Prillaman, Conner, Wells, Brown, Martin, Brammer, Board, Sink, Washburn. Row 4: Kent,

Parcell, Boitnott, Ellis, Amos, Walh, Webster, Dillon. Row 5: Robertson, Ayers, Lynch, Lynch, Southall, Jamison, Dodson, Sink. Row 6: Mrs. Myers, Adams, Reynolds, Nicholson, Robertson, Tyree, Bouseman. Row 7: Hix, Reid, Dillon, Brooks.

Mary Rose Ayers, Sandrs Sink, and Carolyn Fisher served as delegates to the district convention held at Lynchburg, Va.

One service the club undertook during the year was serving at banquets for local civic organizations. These girls made the project successful.

## Alpha Tri-Hi-Y meets community needs

Laquita Ramsey, Bonnie Brown, Jean Martin, and Tommy Arthur represented their clubs at Model General Assembly which is held at Richmond, Va.

Members of the club who were also members of the concert choir inspired the congregation as they sang "Remember Now Thy Creator" at the Induction Service held in the Ferrum Junior College Chapel.

Mr. Kent introduced Linda Rucker who in turn introduced The Reverend James Reynolds, guest speaker for the regular Monday morning devotionals.

Jr. Tri-Hi-Y delegates to Lynchburg were Lois Hodges, Linda Davis, Patricia Finney, Mrs. English, Catherine English, Charlotte Doyle, Marilyn Haynes, Luanne Wray, Judy McGhee.

## Jr. Tri-Hi-Y continues service activities

**JR. TRI-HI-CLUB:** Row 1: Wray, Law, Fralin, Dudley, Smith, Young, Hudson, Doyle. Row 2: Dillon, Nuckols, Campbell, Bower, Beagly, Beard, Haynes, Blankenship. Row 3: Sink, Wray, Perdue, Reynolds,

McCrickard, Meador, Finney, Davis. Row 4: Thurman, Davis, Furrow, Young, Ikenberry, Goode, Divers, Kingery.

The Junior Tri-Hi-Y, a fellowship of ninth and tenth grade girls, works in co-operation with the Hi-Y and Alpha Tri-Hi-Y to carry out Christian activities in the school and community.

The club has received the ace award for the past four years. This is the highest award given to Tri-Hi-Y clubs in Virginia. Some of the outstanding projects which have helped to win this award and have contributed to the spiritual life of the students have been the Monday morning devotionals by the county ministers over the public address system; and Induction Service for members, families and friends; the annual Easter assembly; preparing and delivering Thanksgiving, Christmas and Easter baskets to needy families; making contribution to the school library for books; sending delegates to district conferences, Model General Assembly and Blue Ridge Officer Training Conference; and presenting certificates of merit to honor members.

**JR. TRI-HI-Y OFFICERS:** Charlotte Doyle, President Bettina Divers, Judy Davis, Nancy Brugh, Linda Blankenship, Georgia Dillon, Mary Jo McShee, Luanne Wray, Sherry Thurman, Mrs. English.

## and remains an "Ace" organization

Willis, Hodges, Walters, Dillon, Lynch. Row 4: Lane, Ramsey, Hinkle, Hudson, Brugh, Hutcherson, Mullins. Row 5: Martin, McGhee, Hodges, Mrs. English, Davis.

Bonnie Boone, Patsy Perdue, Sue Peters, Sandra Belcher, Sue Bryant, and Linda Dodson type cards which will be placed in the card catalog for future reference.

Delano Helms, Paulette Dillon, Jane Gillispie and Brenda Mitchell file the processed cards in the card catalog.

Wava Sink, Delma Helms, Emiline Akers, Joann Holt and Betty Carter return books to their proper places on the shelves.

Carolyn Richardson, Patsy Bowling, Suzette Hicks, Ruby Kingery, Annette Amos, Betty Carter assist the librarians in processing new books.

The Library Club is a service organization that renders service to teachers and students in the high school. Requirements for membership consist of a satisfactory course in library science and an academic standing that will permit the use of study hall time for library work. The members serve as student assistants in the library. They perform such routine tasks as desk work, helping to process new books, typing, pasting, shelving books, and reading the shelves. This valuable assistance frees the librarians for the more professional phases of librarianship.

**LIBRARY CLUB OFFICERS:** Mary McGuire, Judy Boone, President Sandra Belcher, Bonnie Boone, Tessa Vipperman.

**D.E. OFFICERS:** Helen Hodges, Danny Perdue, President Johnny Hodges, Coy Jones, Mr. Callaway.

The main purpose of the D.E. Club is to prepare students for careers in the field of distribution through classroom instruction and on-the-job training. Besides classroom training, the students also participated as a club in many activities. Among these were conventions with other clubs in the district and entering a float in the homecoming parade. The biggest highlight of the year was the district convention held at our own school.

**HI-Y OFFICERS:** Al Woody, Charles Davis, G. R. Wertz, President Tommy Arthur, Benton Wray, Mr. Layman.

The Hi-Y is a service club composed of tenth, eleventh, and twelfth grade boys, is affiliated with the state and national YMCA.

During the past year the Hi-Y sponsored the election of the homecoming court and the homecoming parade, co-sponsored an Induction Service and an Easter assembly with the Alpha and Junior Tri-Hi-Y Clubs, made a contribution to the school chest fund drive, sent delegates to district conventions and sent delegates to Model General Assembly in Richmond.

The aim of the Hi-Y is to build Christian character and leadership.

The Franklin County Chapter of Future Homemakers of America, consisting of 161 members, is part of the national organization.

In order to finance itself, the club sold flavoring, seamstress tape, tablecloths, and first-aid kits. One of the highlights of the club's activities was the annual banquet held jointly with the FFA. Both clubs were honored by the guest speaker, Dr. Sidney Sandridge.

Besides the banquet, the club enjoyed winning third place in the Homecoming float participation and first place in the Christmas Parade.

The Franklin County Chapter of Future Farmers of America is a part of national organization of, by, and for boys studying vocational agriculture in public secondary schools. No national student organization enjoys greater freedom of self government under adult counsel and guidance, than the Future Farmers of America. Among other things, members learn through active participation how to conduct and take part in a public meeting, to buy and sell cooperatively, to solve their own problems, to finance themselves, and to assume civic responsibility. The foundation upon which the FFA organization is built includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

Co-sponsoring these dances with the Varsity Club, one of the main projects of the Cheer Club was providing sock hops for those interested students who attended the home football and basketball games.

Using "Victory for the Eagles" as the theme of their float, the cheerleaders took second prize in the parade.

## Cheerleaders stimulate school spirit

Each year the cheerleaders give their support to the school chest drive by passing the "sheet" for basketball patrons to contribute to others less fortunate than themselves.

This year the Cheer Club was composed of eight girls from the tenth through the twelfth grades. They had to keep a "C" average each six weeks to remain in the club. Their greatest aim was to promote school spirit and create enthusiasm at athletic events, both home and away.

The cheerleaders activities included cheering at the football and basketball games, conducting pep rallies to introduce the players and show the teams that the students were backing them up, to sponsor sock hops, to display posters informing the student body of the games, to enter a float in the Homecoming Parade, and to sponsor the homecoming dance.

Mrs. Schall became well acquainted with all phases of "teaching school" during her first year by being the advisor to the cheerleaders. Susan Moses was elected head cheerleader of the squad.

**CHEER CLUB:** Nannie Perdue, Bettina Divers, Betsy Goode, Susan Moses, Paulina Prillaman, Sharon Durham, Nancy Brugh, Jamie Whitlow.

**VARSITY CLUB OFFICERS:** John Rakes, President Roy Jarrett, Buddy Carter, Jimmy Law, Coach Richards.

The Varsity Club members spent most of the school year reorganizing their club. Last fall, a committee was appointed to revise and to rewrite the club's constitution. In this new constitution, certain requirements in each sport were established which a person must meet in order to earn a varsity letter. This greatly strengthened the requirements necessary for Varsity Club membership. As in the past years, the Varsity Club assisted the Cheer Club in sponsoring sock-hops following the home football and basketball games. The foremost project of the club, however, was to have dugouts built on the athletic field. This project will be continued next year.

The world around us is becoming more technical and scientific with each passing day. This requires that any person who wishes to understand his world or to make a contribution to it, have a scientific orientation and as much scientific knowledge as possible. There is a critical shortage of scientists in America today. The Science Club exists for the purpose of discovering and developing scientific ability among the boys and girls of our school. The programs and projects are designed to stimulate an investigative mind, and inquiring attitude and creativity. In addition to the individual projects and regular programs, the club engages in joint projects and spend some out of school time visiting industries and agencies which employ scientific processes and principles. The club has as one of its chief interests the sponsoring of the Science Fair which is held each spring.

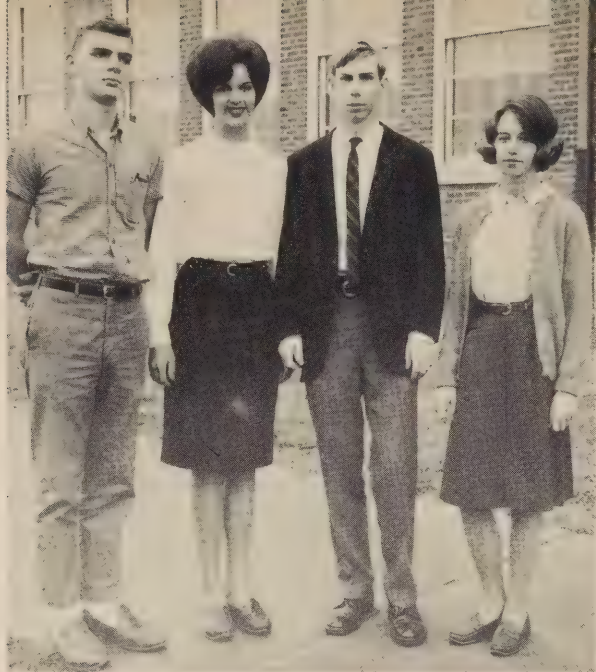

This scene shows a typical club meeting in which the members become familiar with science equipment and learn some of the important science principles.

LOS CONQUISTADORES of FCHS is a club for students enrolled in the Spanish courses.

Its purpose is to stress the appreciation of Latin American countries and their customs. The Spanish Club has been very active this year. Initiation was held in October. As part of their initiation, the new club members had to wear Spanish costumes and obey the orders given by the old members. A selection of The Best Dressed Latin Americans was made by the club members. The club sponsored a decorative car in the homecoming parade. They concluded the year's activities with an outing in the spring.

The *Societas Latina*, composed of students of Latin I, II, III, is a chapter of the Junior Classical League, an international organization made up of teenage Latin pupils from everyone of the United States and from every continent who believe in the value of Latin. JCL is the social background for a serious subject. The programs carry out the theme: "Latin Lives Today", as the members emulate the ancient Romans with an annual banquet, slave sells, skits, songs, and music on classical themes; with their contests in mythology, derivation, grammar, and costumes; as they attend the annual Virginia JCL convention in October; and take part in the statewide Latin tournament in April. **Labor omnia vincit** is the motto of the club.

# Choral music thrills singers and listeners

People may not understand the same language, but everybody understands a song. Singing is the ageless way of expressing sentiment and emotion through words and music.

Franklin County High School is fortunate to have three choirs, and, on many occasions during the year, the members were called upon to display their vocal talents. They performed well at many events, such as sacred and secular concerts, church revivals, civic organizations, and a variety of school activities. Seven members of the Concert Choir were chosen as nominees for All-State Chor-

us, District VI. This is an honor bestowed only to outstanding singers.

The Glee Club, a group of beginning students, and the Choralettes, an all girl chorus, look forward to the time when they can become Concert Choir members, which is mainly composed of juniors, and seniors who have had previous vocal training.

Choir members spend many hours practicing and meet many challenges and frustrations, but they forget all their disappointments when they hear the warm applause of an appreciative audience.

Marie Price, Nancy Brooks, Arnold Dillon, Laquita Ramsey, and Jean Martin had the task of typing all newspaper articles before they could be sent to press.

The feature staff of the Eagle was responsible for writing most of the articles that appeared in the newspaper.

The publication of a newspaper would be impossible without efficient managers and editors to provide leadership for the others.

The advertising staff spent long hours after school securing funds to finance the Eagle paper.

1964 proved to be a successful year for the **Franklin Eagle**. Perhaps the biggest addition to be made was ROTO, a nationally syndicated scholastic newspaper insert containing sports, features, forums, jokes, and, of course, advertisements.

An appreciated service was rendered the student body on the first day of school when each student received a free copy of the **Eagle**. Students were given a chance to display their literary talents in a section known as **Eagle's Efforts**, which was devoted entirely to student's original compositions.

The **Franklin Eagle** is an integral part of student life at FCHS.

# FEATURES

In addition to our activities, classes, and sports, the features at FCHS are another phase of school life that will generate Memories for years to come.

After hours of hard work and planning by the juniors, the night of the junior-senior prom finally arrives. The enchanting memory of floating around the gym with a dream will glow forever. Everyone waited eagerly for the election of a homecoming queen and her court to preside over the homecoming festivities. At ball games there were cheerleaders, stirring up school spirit and urging our teams to play harder.

We all enjoyed the wonderful music of the band and the lovely majorettes; we marveled at the skill and precision of both the band members and the majorettes.

Everybody thrilled to the choirs, and we learned to appreciate the art of singing, called the "universal language". The choir members, on the other hand, forgot all those hours of practice in the hearty applause of the audience.

Assemblies were held for various reasons, and all the underclassmen envied the seniors, who marched in last and sat in reserved seats.

Many students were rewarded for their efforts in the form of recognition, selection to positions of honor, or college scholarships.

Our features were only one of many reasons why we call our school days at FCHS Moments to Remember.

Miss Frances Hix, Rocky Mount, Virginia, reigned as one of the loveliest homecoming queens ever selected by the student body of FCHS.

Attending Frances Hix and Linda Cooper in the homecoming court were Laquita Ramsey, Linda Dod-

On the day of our Homecoming at FCHS, rain seemed to dampen everything except the spirits of the football players. In driving rain, which caused the postponement of the parade, our boys defeated Roanoke Catholic High School in an exciting but wet game. On the following night our homecoming dance was a great success. Couples danced to the music of the VPI Collegiates and enjoyed the romantic setting of the theme, **Moon River**.

Reigning over the homecoming activities were Roy Jarrett as **Mr. Football**, Frances Hix as **Queen of Homecoming**, Linda Cooper as **Maid-of-honor**, and Steve Custer as **Honor Attendant**.

Drum Major David Abshire proudly led the FCHS Band during the homecoming parade. The high-stepping majorettes gave their best showing to delight all of the viewers that lined the streets.

The action packed game provided a thrilling win over Roanoke Catholic despite all of the rain.

The prize winning float was designed and created by the FFA club under the supervision of Mr. Kissam.

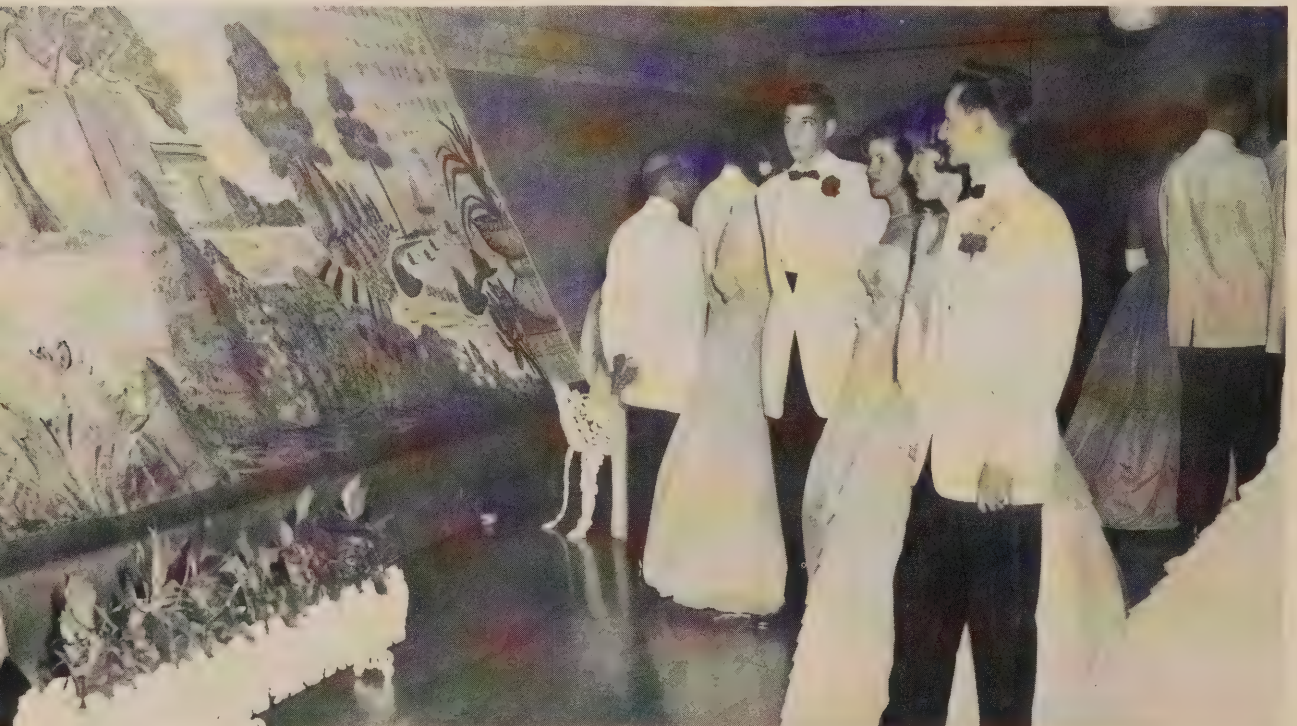

## "Southern Serenade"

On Friday, May 10, 1963, the juniors and seniors took a well deserved night off from their studies to relax and enjoy themselves at the Junior-Senior Prom. Surrounded by the beauty and splendor of a southern plantation, the lovely southern belles and the distinguished southern gentlemen danced gaily during the entire evening. With the music of the delightful VMI Commanders flowing through the air as gently as a warm summer breeze, the prom was a genuinely pleasant Southern Serenade. For many of those present, it was their last prom; for others, it was their first; however, whether first or last, no one will ever forget their memories of the 1963 prom.

Pleasant memories will long be remembered by those who attended the prom, especially Margaret Mason and her escort Bruce Bozart from Bassett High.

Arthur King, Tessa Vipperman, Judy Evans, and J. B. Holley pause to admire the spectacular back-

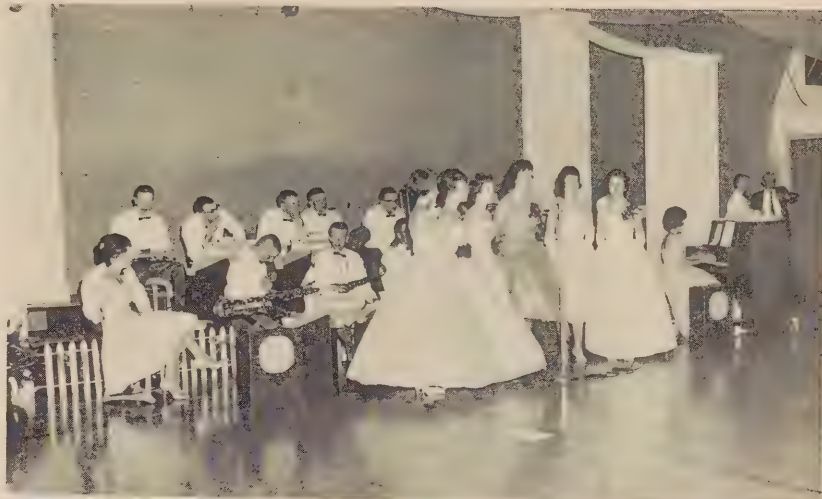

drop scene of a southern plantation which was typical of the pre-Civil War Period.

provided pleasant memories for years to come

"The Night Has a Thousand Eyes" as sung by Sharon Durham, Garnette Hodges, Annette Amos, Marie Brubaker, Bonnie Brown, Margaret Prillaman, and accompanied by Janie Sink enthralled everyone including the VMI Commanders. Couples danced the evening through to the music of the Commanders from Lexington, Virginia.

Members of the faculty, excited parents, and interested patrons recapture memories of their youth as they spend a delightful evening at the prom, dancing to the rhythmic music and admiring the lovely couples so eloquently dressed.

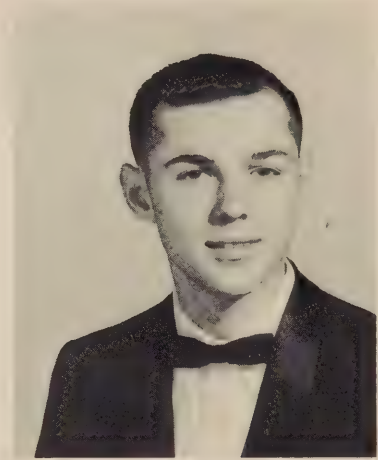

Behind the scene confusion and work became an effortlessly performed figure as members of the

junior and senior classes fascinated the spectators with their intricate movements and beauty.

## Students offered services and gained

David Robertson attended VPI last summer for an advanced mathematics course as set up for high school students of high ability.

Billy McCall, Lane Hash, Tommy Arthur, and Jack Bumgardner were selected to attend Boys' State at Blacksburg.

The hall monitors contributed a valuable service to the student body by patrolling the halls during the four lunch periods.

## recognition for outstanding work

Tommy Arthur was chosen as one of two students to represent the state of Virginia at the U.S. Senate Youth Forum in Washington, D. C.

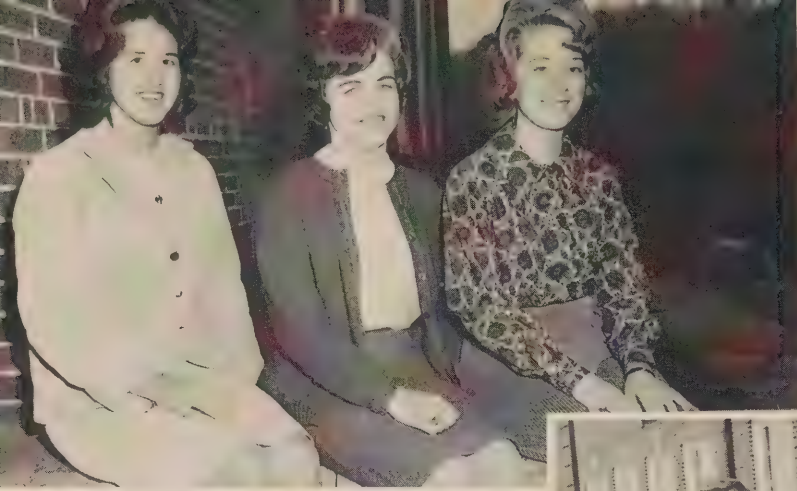

Mary Frances Preston, Teresa Powell, Carolyn Wirt, and Sandra Oakes were selected to attend Girls' State at Radford.

The KVG Boys rendered an invaluable service to our county by being available to fight forest fires.

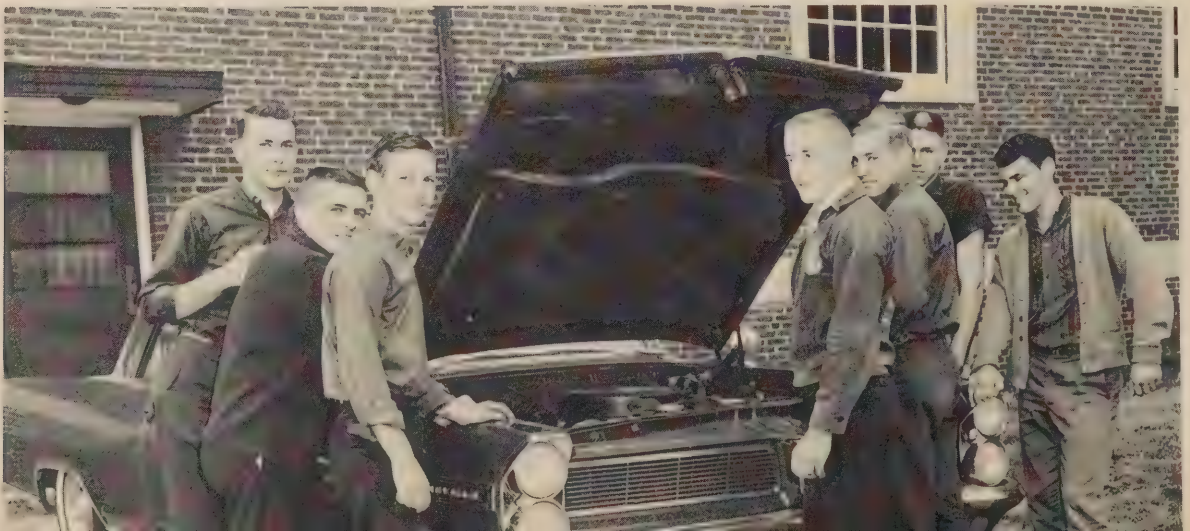

Judy Reynolds, Janie Sink, and Brenda Tyree represented the FTA at their state convention in Richmond, Va. Mrs. Lovell, advisor, accompanied the girls.

Delegates to the state JCL convention at the University of Virginia were Ed-die Eakin, Karen Kingery, Sandra Fralin, Ellen Jones, Judy Davis and Kathy Davis.

Lois Young and Carolyn Wirt were elected officers in the Fairstone FHA Federation for 1964.

The student bus drivers admire an engine which each would like to have in his bus.

G. R. Wertz, Marvin Snyder, Marie Brubaker, Sharon Bowman, and Judy Reynolds won a seat in the 1964 All-State Band.

Carolyn Brammer and Sharon Bowman won special prizes for their ability to write a winning essay.

The trophies given at the 1963-64 football banquet were received by Hubert Ruff, Roy Jarrett, and Al Woody.

Posey France is all smiles as he receives the \$100.00 bill that was given as the grand prize in the SCA Magazine Sales Campaign.

# SPORTS

The thundering roar that means a winning basket, an important touchdown, or a home run... this brings to mind the Memorable Moments in sports at FCHS.

Baseball, basketball, football, and track are sports available to the students of FCHS. They offer students a chance to improve themselves physically and to make themselves well-rounded individuals.

Competition in sports gives everyone an opportunity to excel, and it causes everyone to realize the importance of teamwork and co-operation. Individual participation in a sport such as track encourages self-reliance and allows the athlete to assume an individual responsibility.

Athletics emphasize sportsmanship and respect for the opponent. Everybody likes to win, but the way the game is played is much more important than winning. Athletics will build athletes, but sportsmanship will build men.

Long hours of practice and work are put into the training of athletes, but all the frustrations and disappointments are forgotten in the excitement of an important win or in the personal satisfaction derived from a game well played.

Sports stimulate school spirit and help to make a well-balanced school program.

We are proud of our teams at FCHS, and, as we remember those exciting times in sports, we shall say that those were indeed Moments to Remember.

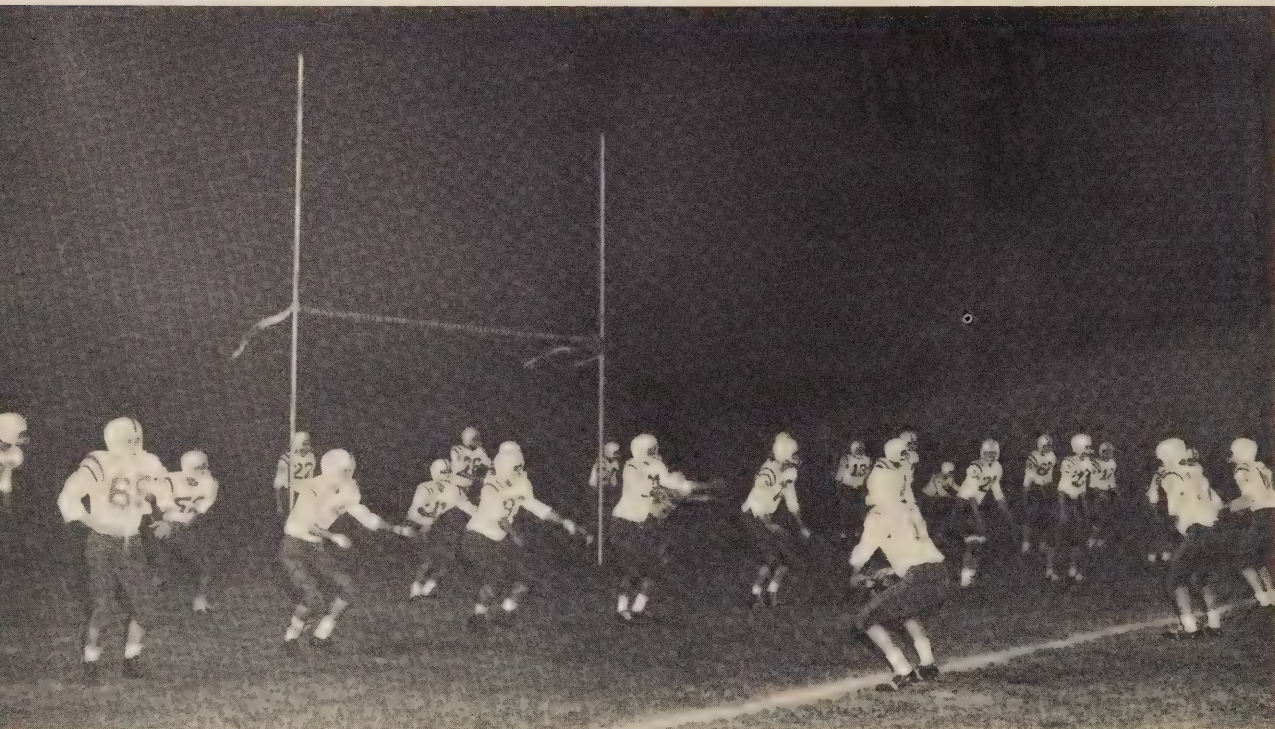

Co-captains Steve Custer and Roy Jarrett anxiously await fall of the coin before dropping hard-fought 12-6 decision to Northside.

Buddy Carter, Steve Custer, and Jimmy Law lead the Eagles in warm-ups before the start of the Cave Spring game. This loosening up period before

each game was important to spirit both physically and mentally.

The Eagles football fortunes found their way into the tough and talented Blue Ridge District for the '63 season. After an opening victory at Drewry Mason, losses were suffered at the hands of William Byrd, Martinsville, Covington, Northside, and Bassett. Bad breaks and talented senior teams accounted for these losses. The Eagles finally caught fire and defeated Bedford, rolled over Roanoke Catholic, and tied arch rival Cave Spring to end a good season. Coach Jack Henderson did an outstanding job in '63 and with many lettermen returning the Eagles should be district contenders in '64. The boys displayed desire, good team play, and excellent sportsmanship while representing us in varsity football.

Co-captains Steve Custer and Roy Jarrett admire some of the trophies displayed in the new trophy case that were won by previous Eagle teams.

# Varsity Basketball

At the beginning of the season, the Eagles were hampered by inexperience but came on strong at the end of the season to end up with a record of 6 wins against 11 losses. For Coach Corron, this was a building year since he had to replace three starters lost to graduation last year. Along with the returning lettermen, Tom Napier and Roy Jarrett, Coach Corron chose David Parcell, Bill Woody, and Jim Bryant to round out the starting five. With Parcell, Woody, and Bryant returning, and other boys, Al Woody, Eddie Goode, Jerry Hall, and Ray Martin, gaining much needed experience, the Eagles look forward to a big year in '64-'65.

Co-captains Napier and Jarrett take a moment out to pose for the photographer as they discuss strategy with Coach Corron about the up-coming game.

Co-captains Napier and Jarrett. Varsity basketball squad: David Parcell, Eddie Goode, Al Woody, Jimmy Fisher, Bill Woody, Jim Bryant, Ray Martin, Jerry Hall, Billy McCall, John Housman, and Jack Bumgardner.

Jim Bryant produces one of this game's few close moments as he battles a Fieldale player for a rebound. Roy and Bill rush to his assistance.

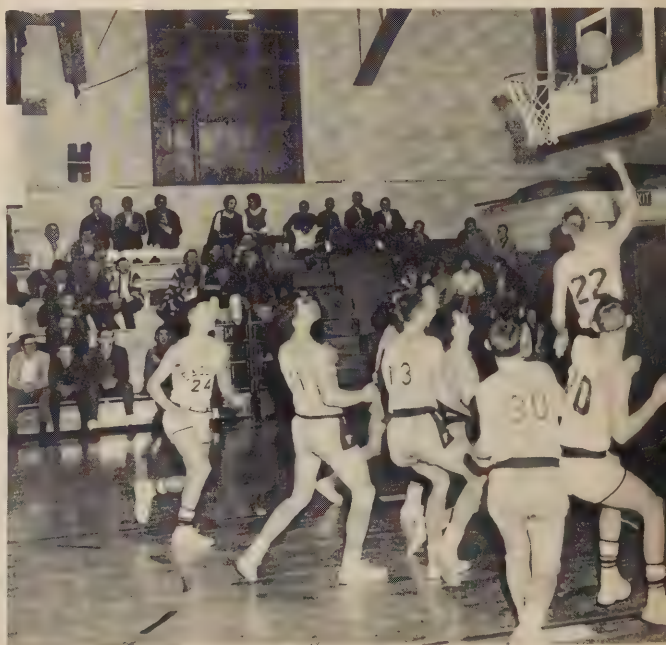

Eagle forward and co-captain Tom Napier goes high in the air to score two points as Cave Spring defenders look on helplessly.

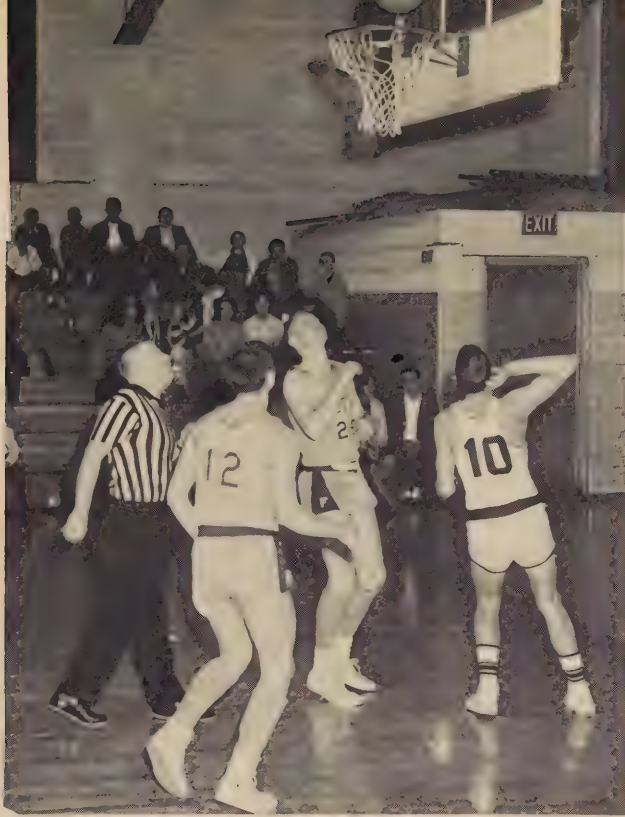

David Parcell scores on an easy lay-up after cracking through the Fieldale zone defense.

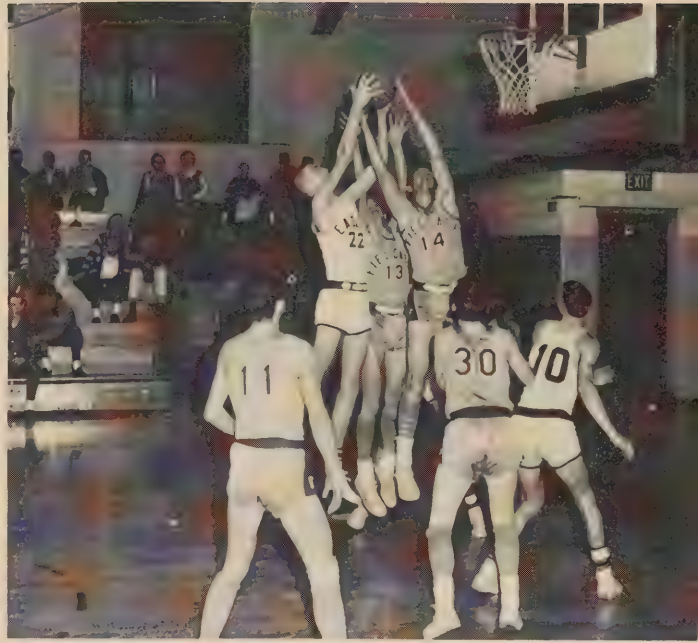

Bill Woody, after receiving a pass from Napier, scores as he slips past Fieldale defenders.

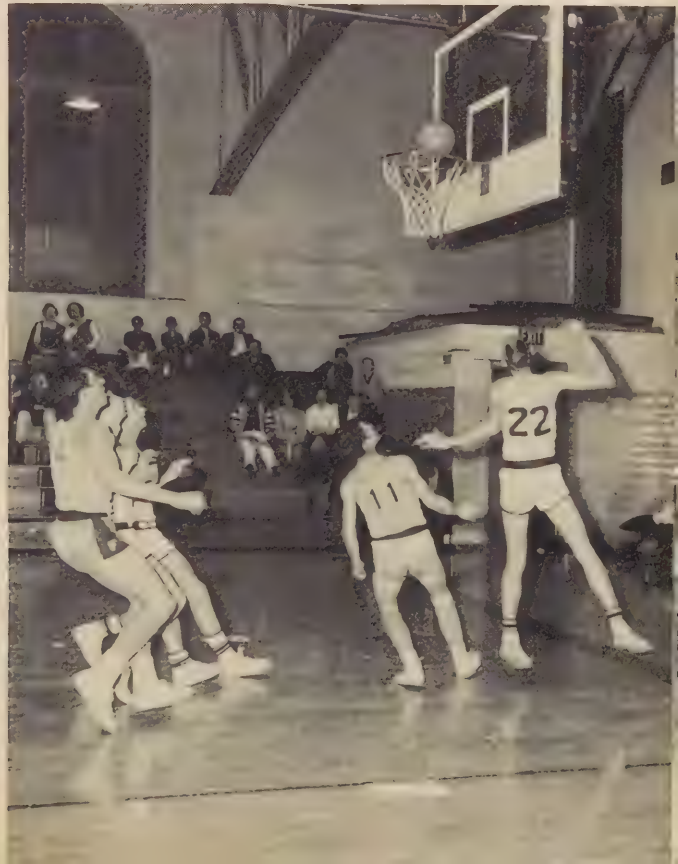

Roy Jarrett, the Eagles outstanding guard, hits two more on his way to become the district's top scorer with an average of 21 points per game.

Bill Woody fights two Fieldale players for a rebound as Roy Jarrett rushes to his aid.

Parcell, Jarrett, and Woody close in on a rebound but to no avail as the ball drops through for a Fieldale fieldgoal.

As Jarrett and Bryant look on, Bill Woody forces a jump ball with Fieldale's center.

Left Fielder Bill Doss singles as the Bedford bench looks on. The Eagles avenged a previous loss by winning 12-4.

Did he or didn't he? Jarrett crosses the plate in a close play at home as the team eagerly awaits the decision.

The Eagles compiled thirteen wins against only five losses during the '62-'63 season. Led by Roy Jarrett and Jay Hugh Hall, the Eagles went all the way to the finals of the Blue Ridge District Tournament, only to lose out in a bid for their third straight title. A late inning rally fell short and they dropped a four to three heartbreaker to Covington.

All season the Eagles received good efforts from the entire team and their coaches. The school is especially grateful to the seniors, Jay Hugh Hall, Darryl Grindstaff, and Ronnie Woods, for their contributions toward a very successful season, and with many regulars returning, the Eagles can look forward to another great season in '64.

"Big John" leaps for joy as third baseman Buzzy Hodges doubles to center opening up a fourth inning rally.

Small in number but great in spirit, a group of faithful fans brave the wind and dust as they enjoy one of the few afternoon baseball games.

# Track returns to Franklin County High School

David Parcell demonstrates his ability in the broad jump to Royal Mullins. With a jump of 17'6", David placed fourth in the Blue Ridge District meet.

After a two year lay-off track has again returned to Franklin County High. Coached by Robert Schall, the team concentrated mostly on rebuilding for the future. The Eagles' only success was over Bedford in a three-way meet that included William Byrd.

A predominately sophomore squad, the Franklin thinclads were paced by Randy Hundley, one of the top milers in the district, Warren Price in the 100 and 220 yard dashes, Bill Woody in the high jump, and 440 runner Jay Hamblett. David Parcell, broadjumper, and Hamblett placed in the district meet. Coach Schall hopes that the many underclassmen on the team will help develop into a powerful team for the coming year.

Fleet hurdlers—Danny Dent, Gary Guthrie, and Benton Wray—display the form which made them outstanding in both the high and low hurdles.

Bill Woody strives to improve the height of his high jump as Sammy Boyd anxiously awaits his turn. Bill's highest jump for the season was 5'6".

Jay Hugh Hamblett and Bob Divers, quarter-milers, listen intently for the starter's gun. Hamblett finished third in the district meet.

Jimmy Carter threw the discus for a distance of 113'11" in a meet against Drewry Mason. This was one of Jimmy's best throws.

**TRACK TEAM:** Row 1: Hamblett, Boyd, Divers, Eakin, Flora, Dent, Wray, Guthrie, Coach Schall.  
Row 2: Hundley, Goode, Board, Woody, Parcell,

Wray, Mullins, Nuchols, Burnett. Row 3: Thomas, Thompson, Adams, Lawrence, Goode, Robertson, Carter, Webster, Jamison.

Hall of Fame

## Opportunities Like Edison had are **WAITING FOR YOU**

The inventions of Thomas Edison have affected the lives of people everywhere. They have created entire industries — ours, for example.

Under America's Free Enterprise system, inventive people like Edison can expect special compensations — profit, honor and satisfaction.

The hope of attaining such rewards has been one of our nation's greatest incentives to progress. It is a goal that prods imaginative minds in their quests for new products and methods.

Not everyone can be a Thomas Edison. However, every trained, dedicated graduate can anticipate a full measure of our society's rewards. All it takes is a willingness to work harder and contribute more.

Best of luck to a real sweet girl.  
I hope ~~to~~ you remember some  
of the times we had together. I had we didn't  
have more than one class together but ~~that~~ <sup>that is the</sup> time  
we had making our dresses for the fashion show and  
when we had to cook that dinner in home ec. and  
had to eat it after all that work. Hope you remember  
some of the talks we had together and some  
about you know who. Hope you have fun this  
summer and do alot of things (ha ha). I had  
you couldn't be coming back to school next year but  
I guess it is for the best, what do you think I am  
going to do next year & at lunch time. I guess I will  
just have to find somebody else to walk around  
with. Well hope to see you around sometime.  
Remember the good old class of 65

Jaime,  
I have enjoyed having  
study hall with you.  
You are a very smart  
girl. Just stay that way.  
Good luck to you in the  
future. May God Bless  
you in everything you  
do. Hope to see you next  
year. Always remember  
me.  
Bonnie

Love,  
It was so  
fun this year, and  
you came up as Jack.  
The best of luck for a new  
year and catch you!  
Love, La!

Joe: You're really  
 luckless getting to  
 graduate this  
 year! Remember  
 our good times  
 in study hall.  
 Best of luck  
 always.  
 Love us.  
 Karen

I wish the  
best of luck and  
a happy summer,
